MEMORANDUM FOR: D/DCI/NI  
DDI  
Aide to the DCI

FROM: DCI

SUBJECT: Admiral Zumwalt

1. I talked to Admiral Zumwalt this afternoon. He's going to make his trip to China probably at the end of June for about three weeks.

2. I promised him a briefing (he says he is cleared through Top Secret). I asked him to call [redacted] about two weeks before he would like that briefing. I would like John to arrange the timing of the briefing to accommodate Admiral Zumwalt's and my schedule so that I can see him for about half an hour and then turn him over to whomever is the appropriate briefing team.
